**Please note:** Our funeral plans do not include the purchase of new graves. These must be purchased separately.

3rd party allowance - to go towards disbursement costs paid out on your behalf (e.g. crematorium fee, minister fee, flowers, horses etc.) Although the Funeral Director's own fees are fully guaranteed for their services within the plan, additional charges may be payable at time of need for 3rd party costs (disbursements) where the rise in these costs have exceeded the plan growth or where additional disbursements are incurred.

\*Cornflower package - dressing in either own clothes or a quality satin gown including viewing in the Chapel of Rest (where possible) - £280 additional charge

Our package plans are best suited to Cremation and single venue service locations. Where there is to be a service in a Church or a burial (inc. cremated remains) our 'Orchid' (tailored) funeral plans would typically be more suitable.
